Spring Clean your life at the Library!

It’s that time of year again with the first hint of the sun—perhaps it’s time to have a spring clean and make some mid year resolutions? The Library may be able to help; at least it’ll be a good place to start!

We have a growing range of health and well being books which includes topics such as yoga, keep fit, mindfulness and poetry. Need to kick an old habit or look to get some support for an issue that has been troubling you? Have a look at our selection, it may kick start you on the path you want. Career boosting books are also available to help you get the job of your dreams—here at Medway of course!

What better way is there to relax on your day off or to take the sting out of the bus or train commute than a good page turner? Working in conjunction with the local Public Library Service we have a range of fiction. Romance, horror, thrillers or autobiographies are among the selection you can borrow.

We also have a Reading Club that meets roughly every six weeks. It’s usually an hour at lunchtime the next one is the 18th May at 12.30pm. The book is Persuasion by Jane Austen.

Breaking news - Friday afternoon come to the library and relax with some colouring. De stress your day-colouring pages and a selection of pens, pencils and crayons will be available in the Reading Room of the Library. You may discover your inner artist!
Focus on...

What is it? KnowledgeShare is our targeted current awareness service. Whenever we find high impact documents in your area, we’ll let you know.

Why use it? We give you the latest high-level evidence in your field.

How does it work? Your KnowledgeShare profile is created to be as broad or as specific as you need. For example, you could receive everything published on obstetrics or limit to receive items related to gestational diabetes.

To register for this current awareness service please contact the library via email:
trust.library@nhs.net
Or telephone:
01634 833849 / Ext 3269

An NHS OpenAthens account will help you to make the most of this service, enabling direct access to full text documents where appropriate.

You can register at:
